Unions 4 Workers @unions4workers · 18s

If you think unions are no longer needed, ask yourself these questions.

**IF YOU THINK UNIONS
 ARE NO LONGER NEEDED,
 ASK YOURSELF:**

- Are capitalists less greedy?
- Are bosses more generous & humane?
- Are corporations no longer obsessed with squeezing labor costs?
- Can you trust politicians to maintain worker protections when they rely on the investor class to finance their campaigns?

A non-union world is a low-wage world, and it will worsen as Big Money gets stronger.
